Foreword

Eight-thirty, September 5, 1967 ... over 2,000 students surged through the halls of Big Spring High School ... self sufficient individuals ... separate dreams ... varied ideas ... bound together by mere walls ... each soon to become part of a whole, part of one of the most beautiful schools in Texas.

Supremacy is reached through effort ... mass supremacy through mass effort.

Co-operation ... thousands of individual efforts aimed at a common goal ... and Big Spring High School, again in 1968, reigns supreme.

We the staff, dedicate the fiftieth edition of the El Rodeo to your individualism which creates the soul of BSHS.

Alone It Stands Empty . . . and Majestic

Big Spring High School! The glow of its laughter and companionship can be seen and felt in the cheerful, warm atmosphere of its beautiful halls. Loyalty to the school is not just on the surface, but is displayed in classwork, athletic events, social affairs, and extracurricular activities.

To prepare students for the future, BSHS has facilities that are considered to be among the best in the state.

Steers, themselves, are the living example of fun, humor, and friendship. The moment one enters the halls, he sees and feels this attitude, and it is soon his.

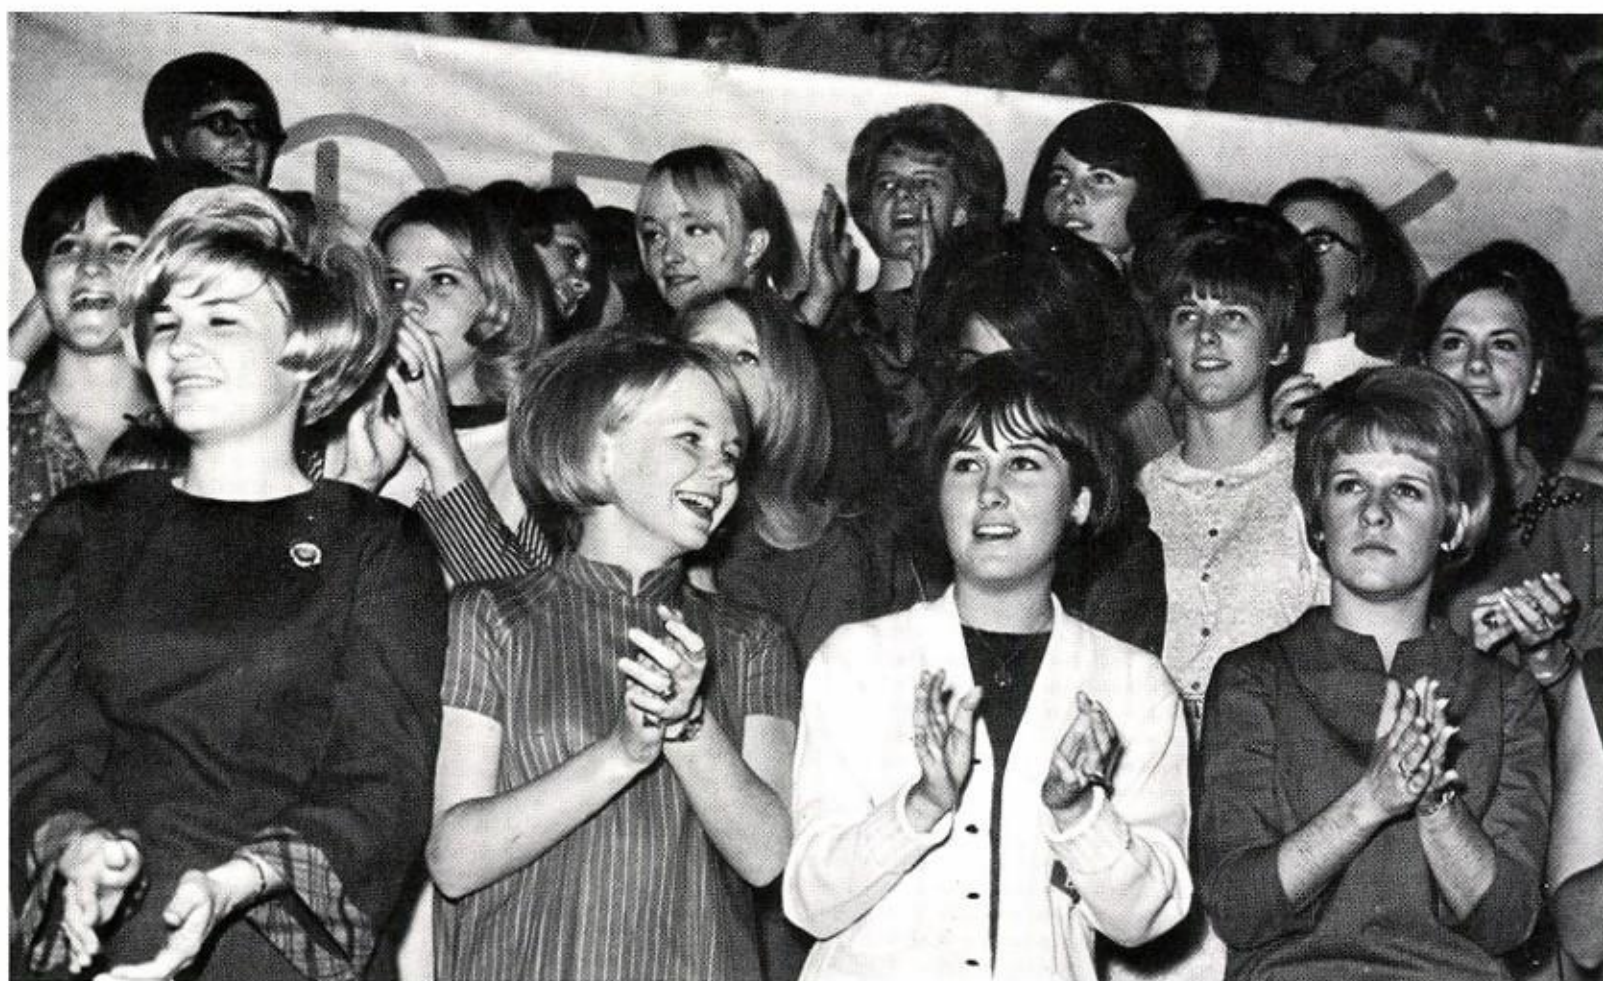

Proud and Brave . . .

For the Seniors, it ends with graduation . . . for the freshman, it is the beginning of a long line of accomplishments . . . they inherit a winning spirit, an outstanding reputation in both athletics and academics . . . traditions provide the guide, full trophy cases the incentive . . . working together, each person an integral part, contributing to the whole system, they will carry on the winning tradition.

Activities

A New Beginning . . .

... is a new school and a new added addition, the Freshman Class. The F.H.A. had a cool start with an ice cream supper at the City Park. The Howdy Dance for the new and old was a gay sight to behold. A new concept of B.S.H.S. is "Dining In". Closed campus is a new rule, however, the old Steer spirit still prevails.

Steer spirit is shown throughout the halls as shown by Martha Jordan and Carl Van Vleet.

Wonderful World of Summer

Big Spring High School was the scene of various activities during the summer months. Cheerleaders were preparing new routines and perfecting movements to get in shape for football season.

Eighteen journalism students spent a week in August on the Texas Tech campus at the tenth annual publications

workshop. Mrs. Erma Steward was director of the workshop annual.

For the second year, Mrs. Lila Brewster conducted the summer's honors institute. A non-credit course in humanities was offered.

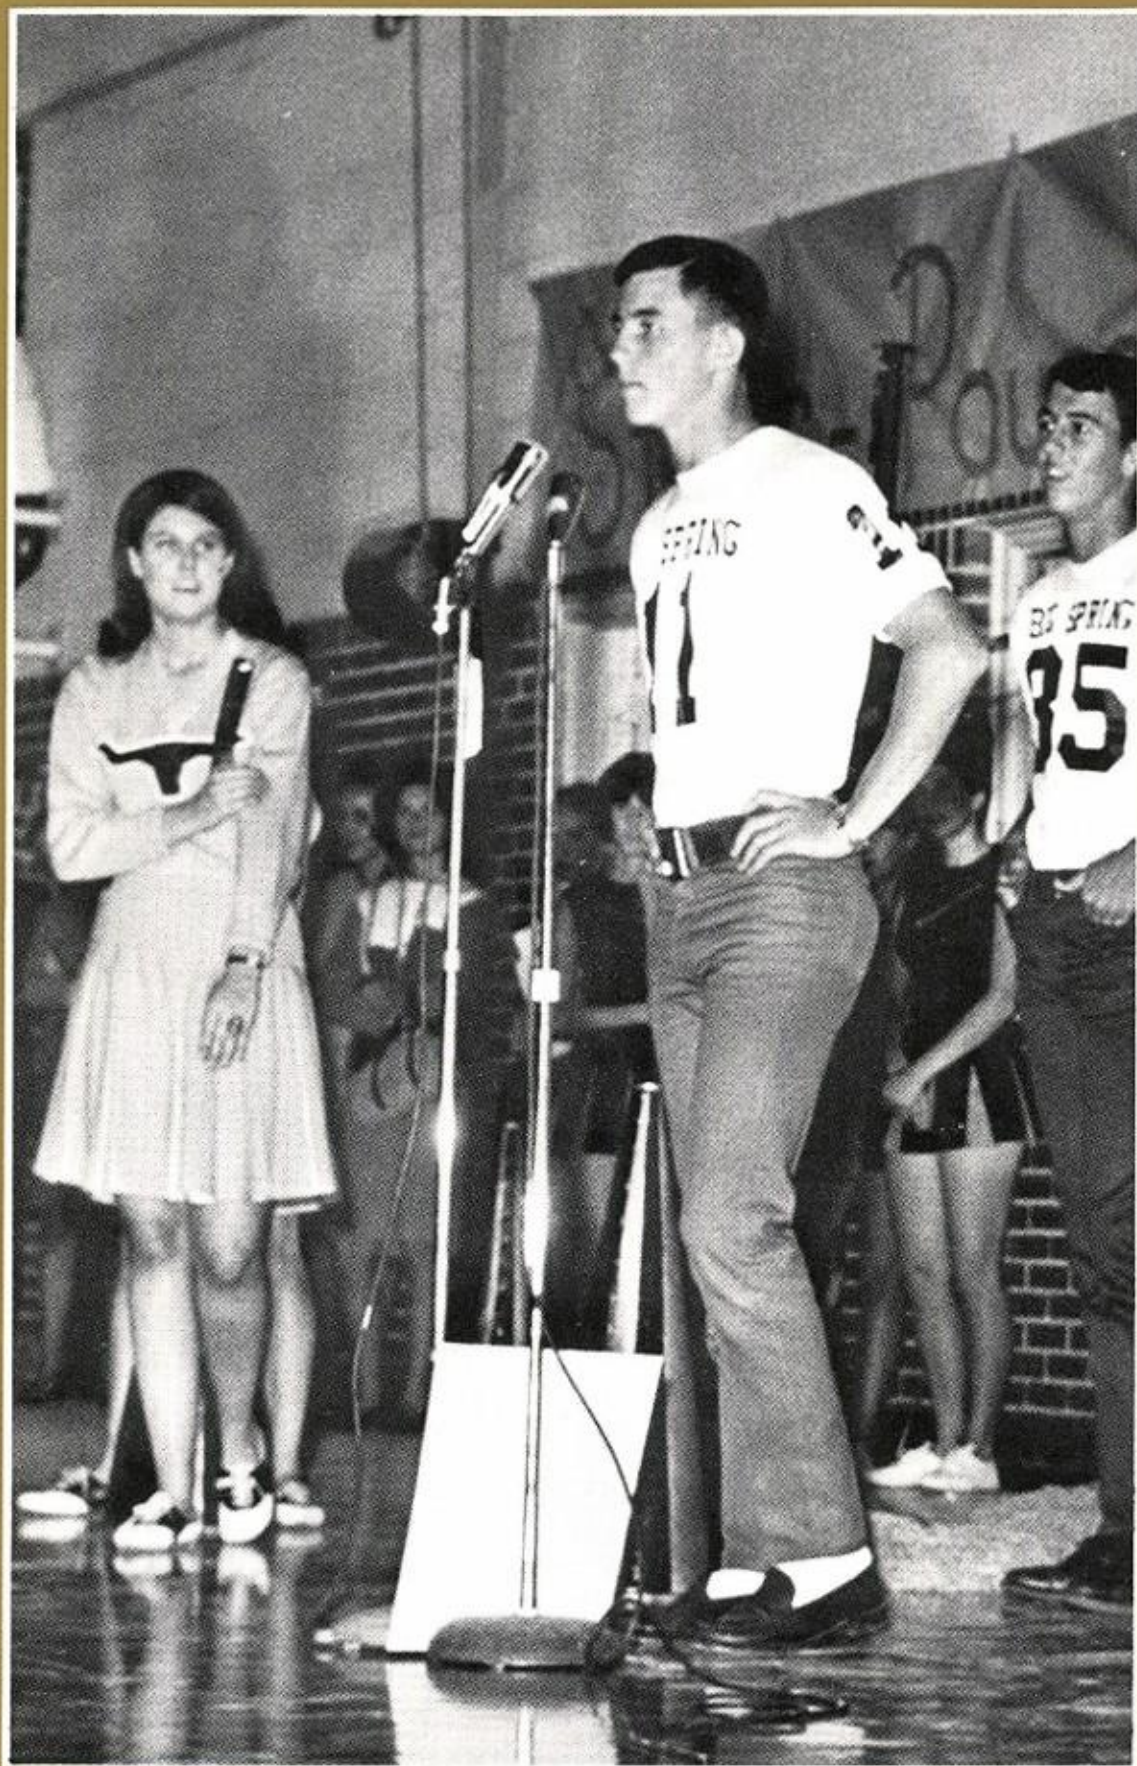

THE GRECIAN DANCERS, Ann Heith, Sherry Stroup, Jeanie Johnson, Karla Wadsworth, and Martha Jordan perform at the Tech Workshop.

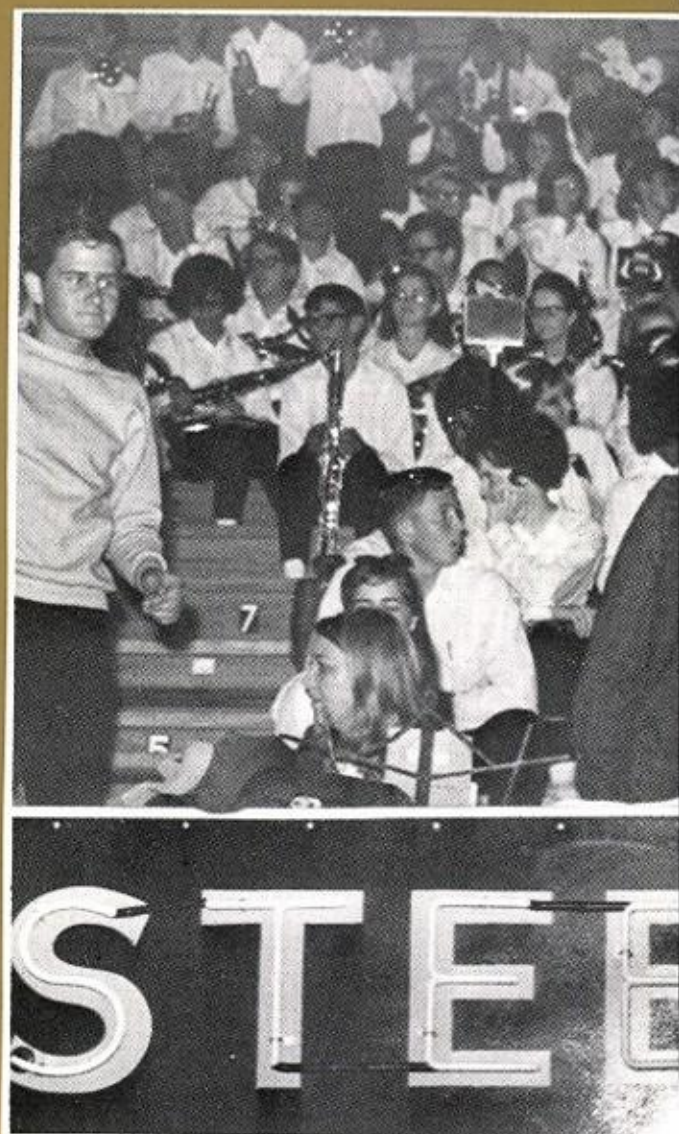

THE STEER CHEERLEADERS, Sonia Whittington, Treonne Reagan, Karla Wadsworth, Roe Lynn Bunch, and Connie Carver attended cheerleading school at S.M.U.

School Ends Once Again

Once again the doors close and the halls of BSHS become quiet and deserted. For some it is just the end of another year, others leave never to return again.

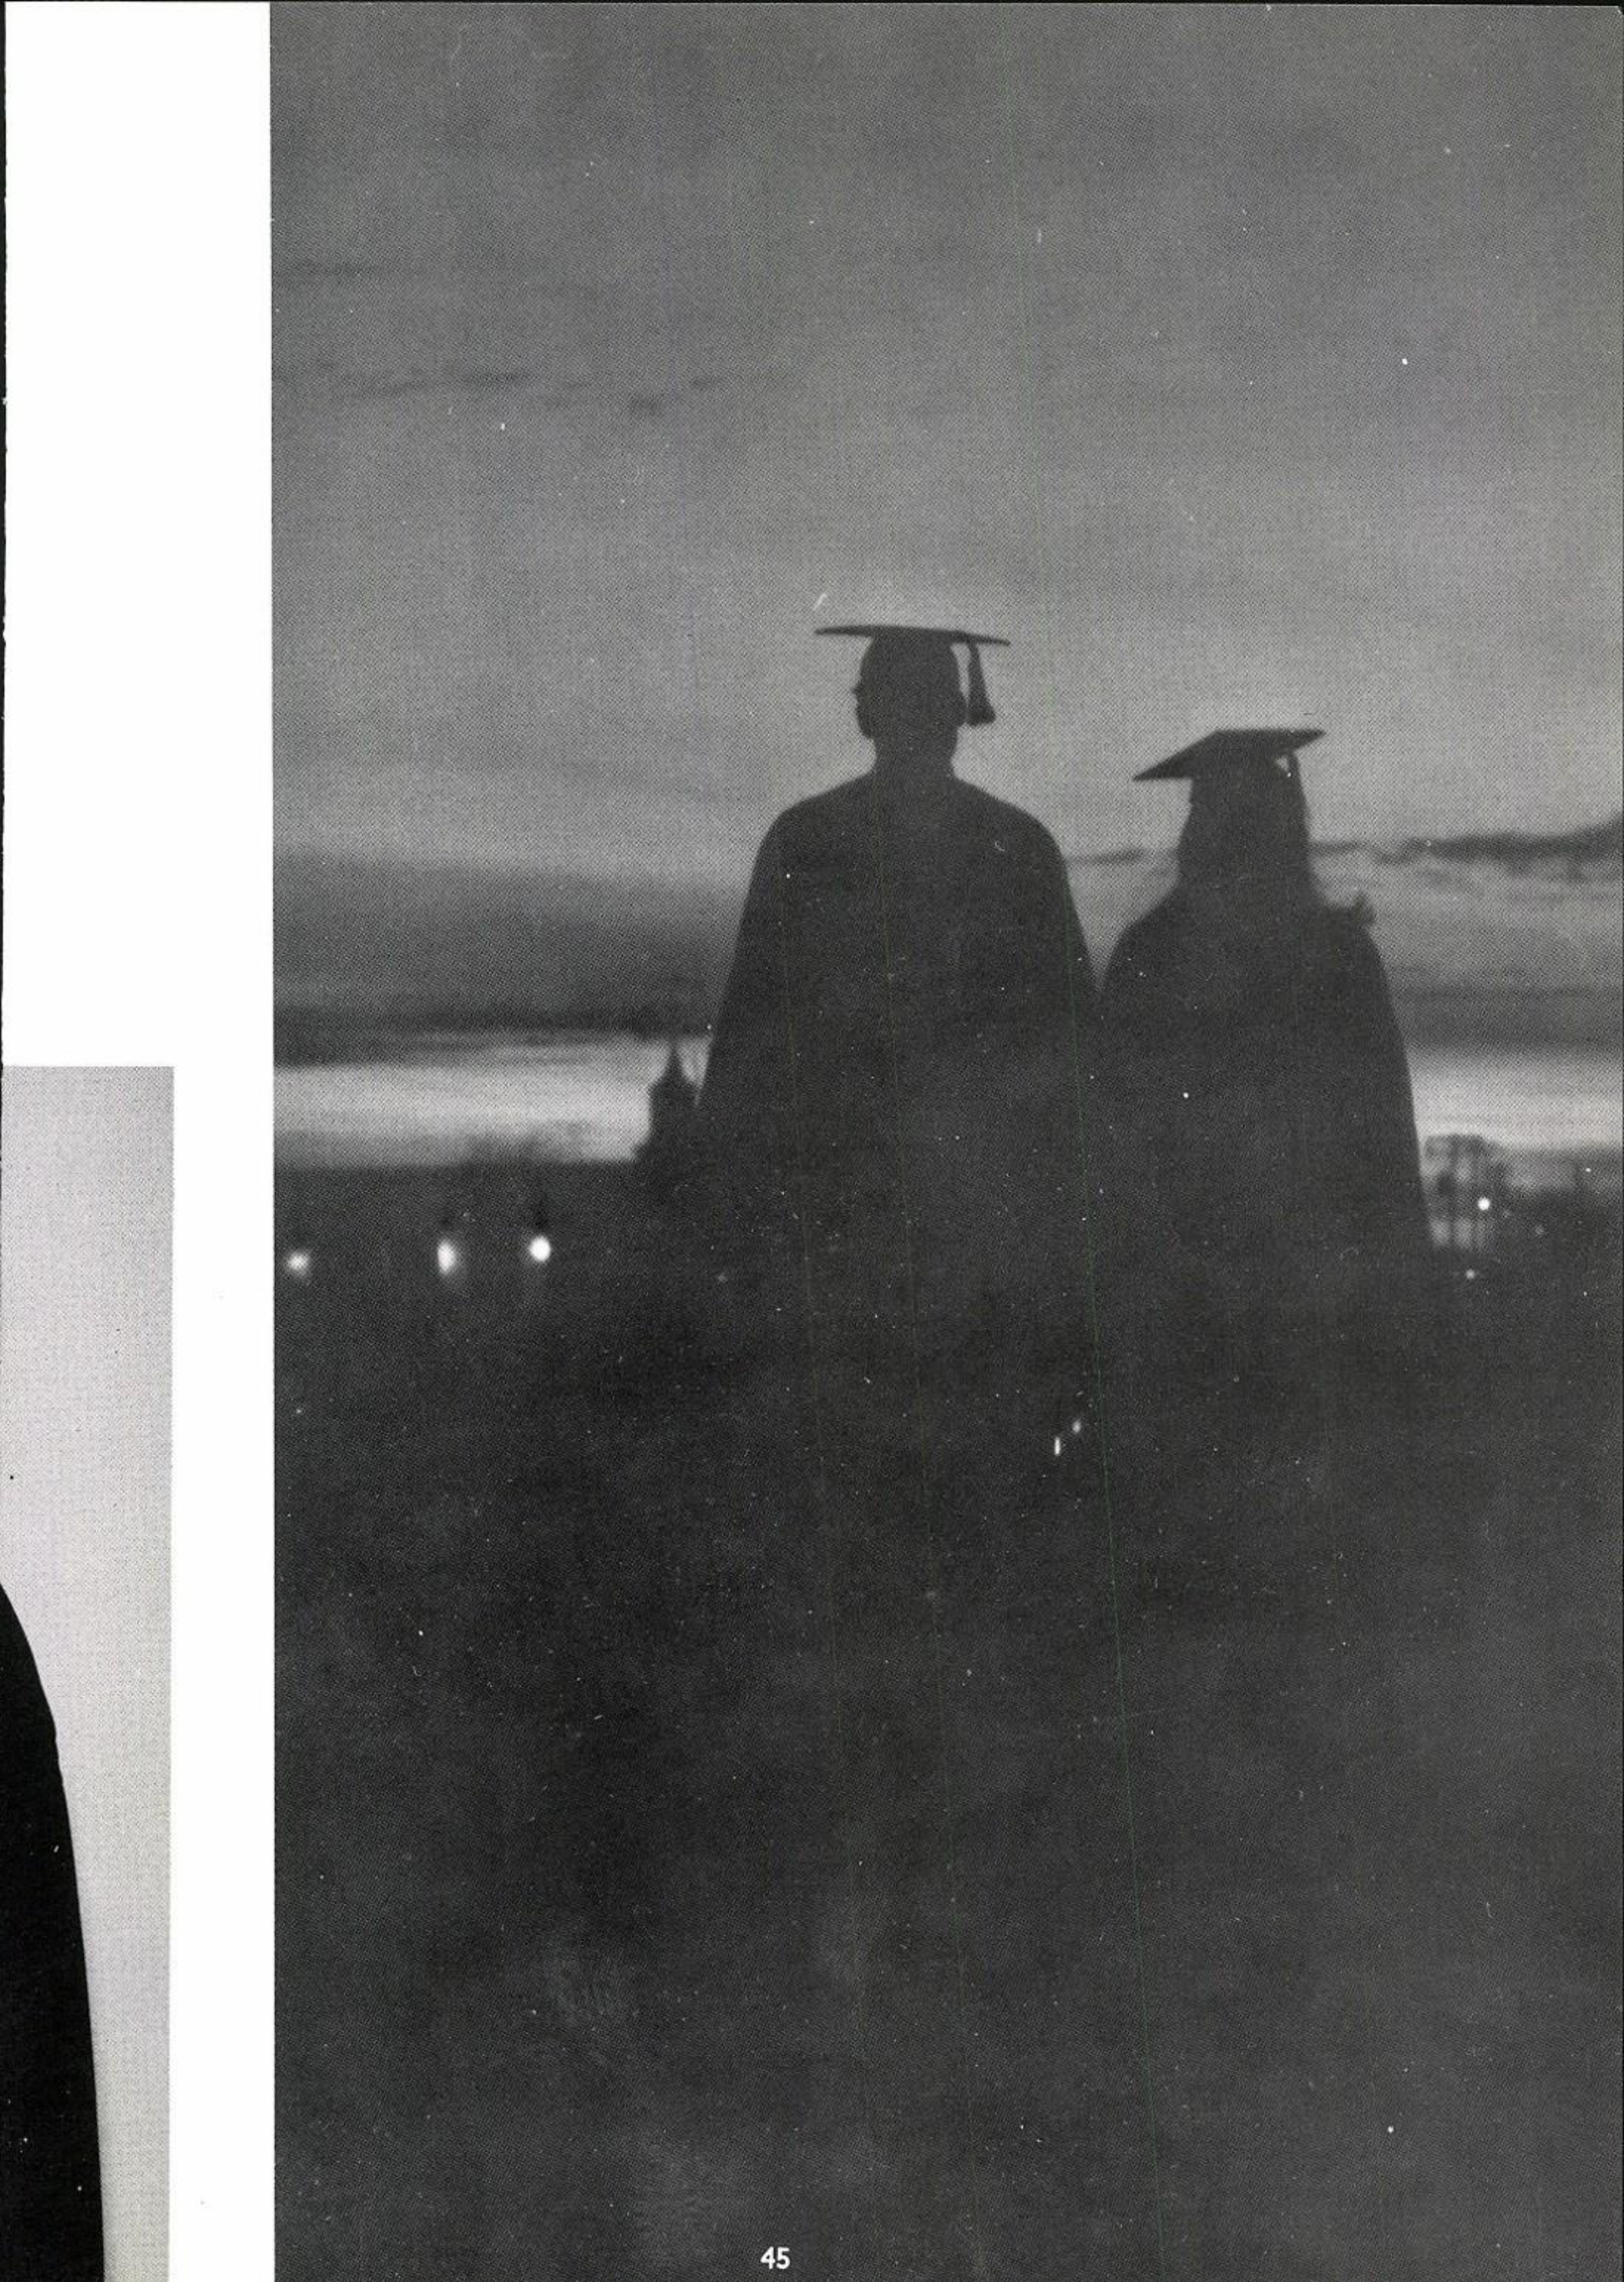

Graduation Day—a day of joy, with tears, and memories—the day for which the seniors have strived for twelve years. All have something in common; memories of football games, the Christmas formal, Homecoming, and the Junior-Senior Prom. These are the things which have kept them united as one

throughout their high school days.

Now, as they turn their senior rings, they join the realm of exes, who have passed through these doors before them.

The year 67-68 will long be remembered in the hearts and minds of the students who have participated in the many activities that took place in the halls and on the campus of their alma mater, Big Spring High School.

EDITOR JEANIE Johnson shows a look of surprise while looking at the school paper.

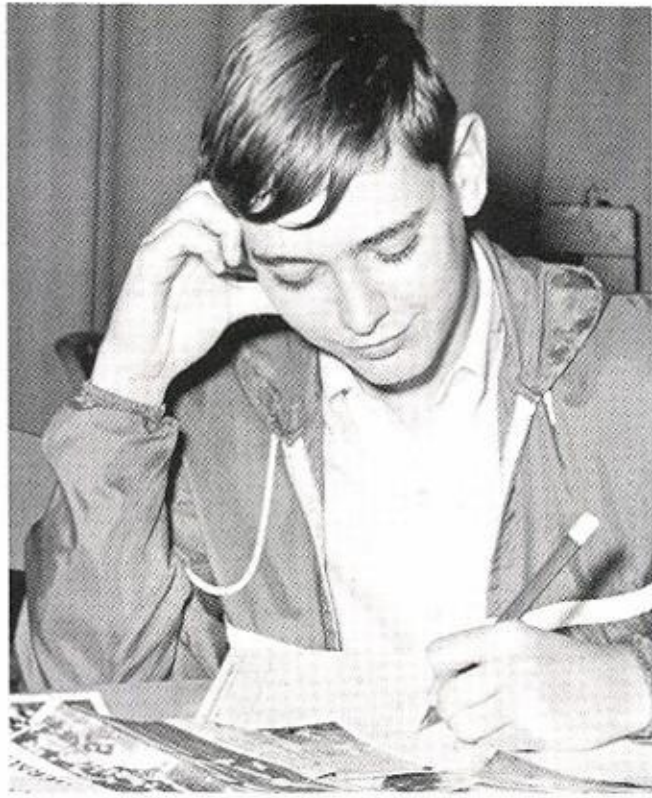

The 1968 EL RODEO Staff consists of 17 members. Of these 17, there are seven seniors who edit the different sections of the yearbook. The seven juniors assist the seniors with their sections and do odd tasks. The three photographers complete the yearbook with pictures.

ACTIVITIES EDITOR Ann Garrett shows Junior assistant Medena Furqueron how to make a layout.

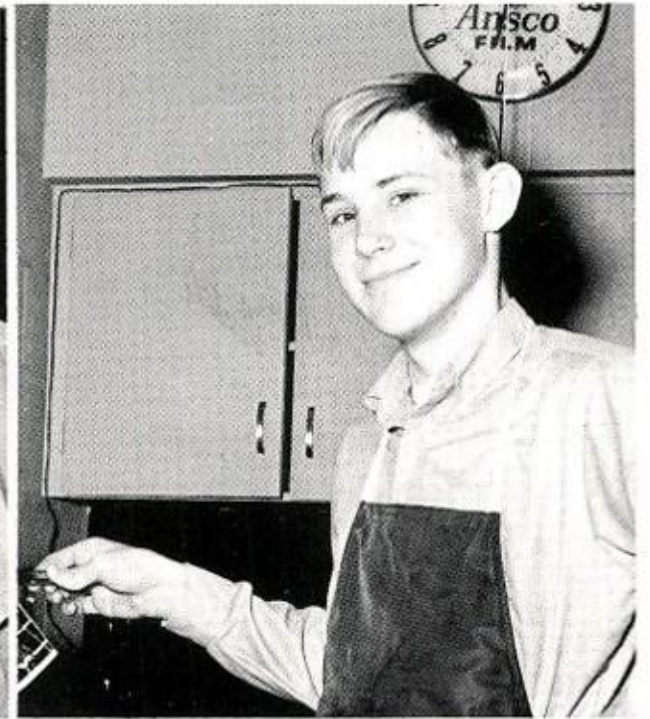

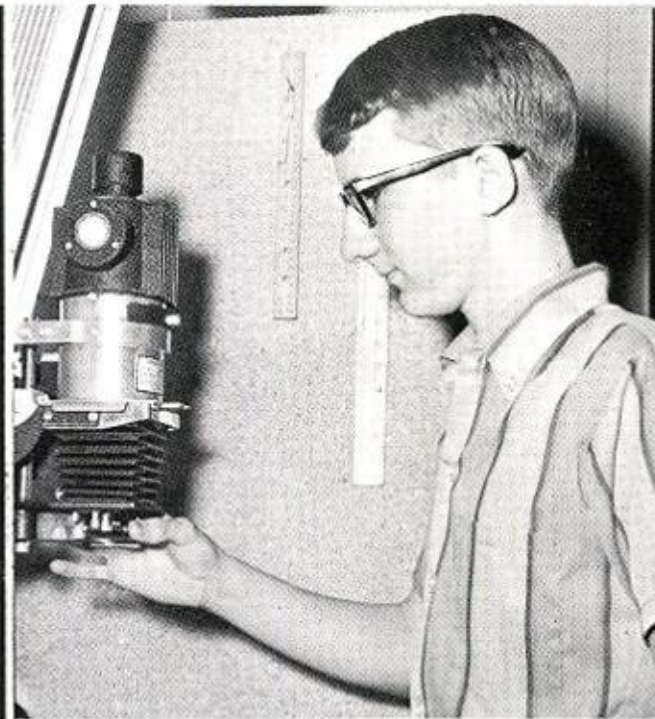

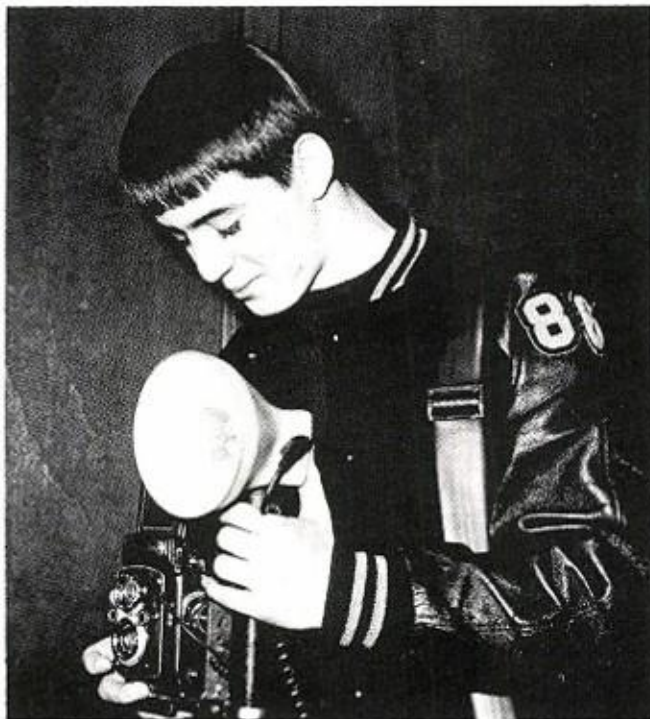

JUNIOR ASSISTANT Anne Robinson gets ideas from college yearbooks.

ASSISTANT SPORTS Editor Barry Knocke makes plans for one of the sports' pages.

JUNIOR ASSISTANTS Gwyn Bonner, Carolyn Crawford, Elizabeth Graumann, and Paula Green perform many odd jobs.

THE PHOTOGRAPHERS, from left to right, Bruce Hicks, Scott Medford, and Mike Alexander show the three steps in taking and developing a picture.

The Corral . . . Mirror of Student Activities

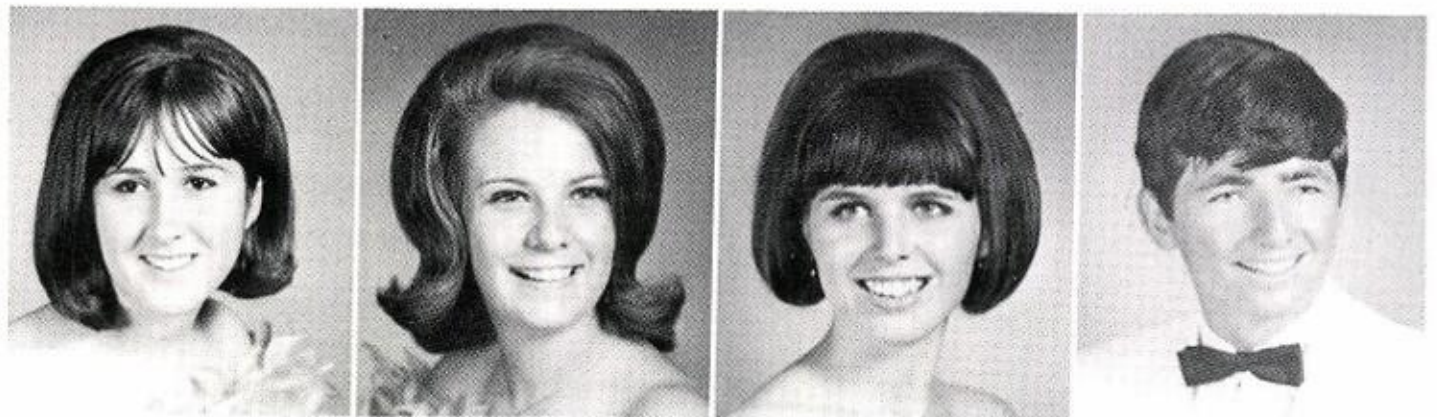

The Journalism students publish a newspaper bi-weekly. Attending a workshop at Texas Tech in August and then returning for J-Day in October highlight their yearly activities. They also participate in the State Journalism Convention at Denton to gain more knowledge in the field of Journalism.

Steers Stomp Lamesa 29-0

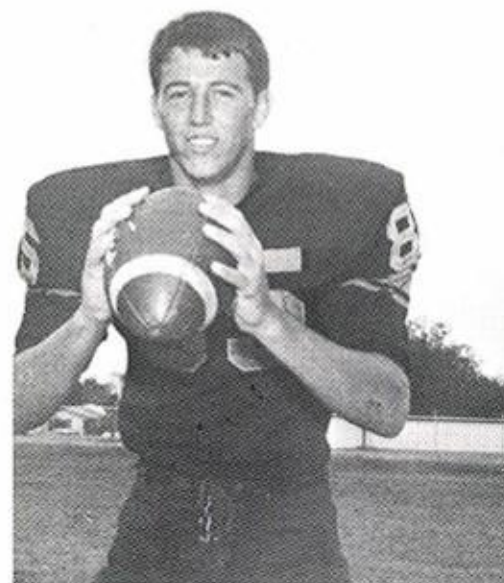

In the first game of the season, the Mighty Steers defeated the Golden Tornadoes of Lamesa. Throughout the game the Steer defense held the Lamesa offense cold. Halfback Lonnie Clanton scored the first nineteen points for the Steers while Snake Tucker demonstrated his fine running ability. Although the Steer club's passing was a little weak, the team as a whole proved impressive.

Steers Beat Plainview 30-6

THE BIG SPRING STEERS met and defeated the Plainview Bulldogs in an injury plagued game in Memorial Stadium. Two of the Steers' outstanding players were injured in the game; guard Chuck Smith and halfback Lonnie Clanton. On the brighter side of things, Roy Lee Warren, Junior halfback, made a hero of himself by scoring three touchdowns, making him Big Springs leading ground gainer. The Steers scored a touchdown in the first, two in the second, and two in the third quarter, while holding the Bulldogs to a mere six points throughout the game.

Steers Whip Snyder 7-3

In one of the most surprising games so far this year, the Mighty Steers went in against the Snyder Tigers; the Steers' last pre-district opponent. Strange as it was, the game was nip and tuck until the third quarter when things began to happen. Snyder took the lead first with a 20 yard field goal attempt which was good. With the Steers short-handed due to injuries, quarterback Bill Burchett was forced to rely on his wide maneuvers and passes. The Steers' break came in the fourth when Snake Tucker made Burchett's pass complete and ran 77 yards for the TD. Then Mike Irons booted the PAT to make the final score 7-3.

Steers Lose To Lee 19-7

In the first district game of the season, the Steers just seemed to have started out on the wrong foot. Mistakes early in the game proved fatal in the final outcome. The Rebels scored twice in the first five minutes of the game. The Steers got their chance in the second quarter when Roy Lee Warren ran 56 yards for the touchdown, with Mike Irons kicking the PAT. Despite the loss, the Steers made a fine defensive showing which helped to compensate for their early mistakes. Don Malone, Joey Baker, R. J. Englert and Rocky Wooley all made a fine showing in this game which made the Steers 3-1 for the season thus far.

Bulldogs Sink Steers 21-14

After losing to Lee the previous week, the Steers went to battle against the Midland Bulldogs with a win on their minds. Neither club scored in the first quarter, but the Steers were first to score in the second, when R. J. Englert recovered a fumble and Doug Robinson carried for the TD. Another Steer drive was stopped at the Midland 2 when BS fumbled. Roy Lee Warren set up the next TD which allowed Robinson to cross the double stripes for another six points. Warren then ran wide for a well-deserved two points. This was one of the Steers' finest games of the season, but the 3 fumbles sealed the locals' fate. The Steers wound up on the bottom with the score 21-14.

Steers Defeat Eagles 25-20

For the first time in 28 years, the Mighty Steers defeated the Abilene Eagles on their home grounds. Big Spring wasted no time in scoring when Gary Don Newsom recovered an Eagle fumble and Roy Lee Warren ran the touchdown. Then Mike Irons kicked the PAT. In the second period, Abilene again fumbled, with Greg Lewis recovering for BS. Nine plays later, Lonnie Clanton crossed the double stripes for another TD. In the third quarter, Bill Burchett crossed the line for another big six. Finally, in the fourth quarter, with 1:14 remaining in the game, Clanton wracked up another six points to make the final score 25-20.

Cougars Bomb Steers 56-12

With a history making victory the previous week behind them, the Steers prepared themselves for the bout with undefeated, number one ranked Abilene Cooper. The Steers got on the scoreboard early in the game when R. J. Englert ran a fantastic 95 yards for a touchdown. Throughout the remainder of the first and second quarters, Cooper continued to wrack up points, but not without earning them. The Steers scored again in the third, when Joey Baker caught a 20 yard pass from Burchett and lateraled to Roy Lee Warren who went on for the TD. Although the Steers lost by a fairly large margin, they did have the satisfaction of being the only district team to score two touchdowns on Cooper.

Panthers Trounce Steers 29-8

Still feeling the sting of last week's clash with Abilene Cooper, the Mighty Steers were on the prowl for a victory over Odessa Permian. In a well played game, the Steers were leading at the half, but Permian's second half strategy proved to be painfully successful. Near the end of the first quarter, the Steers were in sight of a TD, but fumbled on Permian's 12 yard line. With 36 seconds left in the first half, quarterback Bill Burchett chalked up six, then the Steers faked a PAT kick and Baker accomplished the two point conversion. The Panthers scored again and again, however. Despite the fine Steer effort, the final score was 29-8.

THE CLASS OF '69 leaves the halls of BSHS as they end their Junior year.

Senior Class Officers

This was our year . . . applications, invitations . . . "Go Wild November 10" . . . a class bound together by routine—being late, being broke, being tired, being absent. The Sound and Fury of it all . . . the Prom—orchids and tuxedos . . . the last time for everything, senior assembly, baccalaureate, graduation, a diploma filled with the hidden fear of leaving friends and security for a future that came more quickly than expected . . . Above all, proud to have graduated from BSHS . . . This was our year.

YOU CAN TAKE US FOR GRANTED

You switch on a lamp, and there's light. You set the thermostat, and there's comfort. You turn on the TV, and there's entertainment.

When you use handy, ever-present electricity, chances are you never stop to think of the effort, time and equipment involved in generating it and delivering it to your home.

And there's no need for you to ponder it. We're thinking and working every day, to see that you have a continuing supply of electric energy. In fact, we were con-

sidering your present needs years ago, and right now we're planning for your future electrical requirements.

So go ahead. Take us for granted. We wouldn't have it any other way.

**Keep Us All as
One Through Years
To Come . . .**

And It's "30" for '68

Here it is ... the page I have dreaded for so long ... a page which ends a year of delightful memories—delightful, not because we remember the week-end of Homecoming or defeating Abilene or the one night of the Prom, but because we recall the tedious day-by-day, hour-by-hour work of preparing for these occasions.

This finished book stands as a monument to the many weeks of hard work, long hours, and meeting deadlines on time and successfully.

Our book, dedicated to your individualism, represents the year filled with treasured remembrances. The students of BSHS have made it the great place it is, and it is these students who keep the spirit of BSHS alive.

All of these people mean the world to me and are great workers who have put their hearts into the production of this book.

Both my gratitude and thanks go to ...

LAURA PARKS, the assistant editor, who was always on hand to help me.

ANN HEITH, senior editor, who did a grand job in creating a class with class.

LINDA LU LILE, the friendliest girl around the BSHS campus, was the yearbook's prospective organizations editor.

ANN GARRETT, whose activity section added a sparkle to every phase of BSHS.

DAVID VASQUEZ, sports editor, who compiled a superior sports section.

KARLA WADSWORTH, a fine artist and who also created a tremendous personalities section.

PAULA GREEN, ANNE ROBINSON, GWYNN BONNER, CAROLYN CRAWFORD, MEDENA FURQUERON, BARRY KNOCKE, and BETH GRAUMANN, the junior staff assistants

who were always willing to do all the dirty work the seniors gave them.

MIKE ALEXANDER, SCOTT MEDFORD, and BRUCE HICKS, those ubiquitous photographers, who made many of the pictures for this book.

HOWARD'S STUDIO, and their never tiring attitude to willingly take pictures whenever we called on them day or night.

FLOYD HOBSON and the Taylor Publishing Company for technical advice and assistance.

THE BIG SPRING HIGH SCHOOL FACULTY for patiently fulfilling our many needs.

TEXAS TECH JOURNALISM DEPARTMENT for their advice whenever we needed it.

Our very deepest thanks goes to Mrs. ERMA STEWARD, our sponsor, a very dear friend of mine as well as the other staff members. This book could never have been completed without her help and guidance.

People create events ... events bring memories ... and memories represent the year. To each of the 2100 people, who brought '68 its contented, sad, reflective, intense, and inspiring moments, we wish to dedicate this book.

Now good-bye must finally choke through. Good luck to all seniors, may you have happy and prosperous lives; take care juniors, for BSHS falls into your hands; sophomores and freshmen, may you appreciate and enjoy your coming years at BSHS; and faculty, may you always keep in mind that you are greatly appreciated and you are leading a very profitable life.

Now the completed book is yours. May it come to be one of your most treasured high school possessions. I hesitantly sign "30"

Editor-in-Chief
